What is the book about?

The book is about a boy and a girl called Adam and Sally Midnight that went to their Auntie's house to stay for a week. When they get there everyone acts like they want to join the circus or play soccer all the time. Adam and Sally investigate why the strange things keep happening and find out that Archibald Midnight took away a family jewel called the midnight stone, which set a curse on the midnight family. He hid it but didn't tell anyone where he hid it before he died. Can Adam and Sally find the stone before something happens to them too?

Who is your favourite character and why?

My favourite character is Sally Midnight because she always takes things into her own hands. She also is the boss of Adam.

What is your favourite part of the book?

My favourite part is when Adam and Sally find out about Archibald Midnight and the curse he set on the family.

Give some reasons why someone else should read this book.

I think you should read it because it has quite a bit of action and is a thrilling adventure book as well. It is also quite scary. Children of ages 6-12 years could read this book.
