Dear Parents,

Zoolab visit

The children enjoyed a visit from Zoolab on Monday afternoon. They were able to handle a variety of animals if they wanted to, including an African Snail, a Tree Frog, a Snake and a very large Cockroach! The afternoon was enjoyed by all and they learned lots. Watch out for a photograph appearing in the Pocklington Post in relation to this visit.

Sun cream

Just a reminder that school staff are **not** allowed to apply sun cream to the children. Please could parents coach their children in how to apply it themselves, or put it on them before they leave in the mornings? The spray sunscreens on the market seem easier for the children to manage themselves.

Summer Fair

The Friends of Bishop Wilton School met recently. I was decided to hold a mini fair in the school grounds on Saturday 15th July from 2.00-4.00pm. Many thanks for the good will and hard work of the PTA. Please support this event. More details to follow.

Lost sweatshirt

One of our girls has lost a sweatshirt. Please could you check the name tag in all sweatshirts?

Return of Footballs and Tennis Balls

When footballs or tennis balls go over the wall into Mr and Mrs Robinson's garden at playtime, we usually wait patiently until they are thrown back again some time later. Apparently, someone walked into the garden and collected the ball without permission, walking across the raked soil in the process and leaving clear footprints. This did not occur during school hours, but sometime after. Please may we respectfully ask that this does not happen again? We try very hard to keep good relations with our neighbours.

School Sports Day

This date is now confirmed as Thursday 29th June. Please keep your fingers crossed for good weather!

Yours sincerely

Mrs A Halley
