Dear Parents,

After School Club

Good News!

We have teamed up with Schoolfriendetc (formerly known as CATs club) to set up an after school childcare facility here at school. The first step is to advertise for a Play Leader and a Play Assistant to run the club. If you are interested in applying for either position please let us know and we can provide you with further details and an application form. Once we have appointed staff, the club will open after school (3.15-6.00pm). Once Ofsted registration has been gained we can then look at opening before school. We hope that the club will be very well supported.

You can find more information at www.schoolfriendetc.org.

Wider Opportunities Music

The junior class are all learning to play the recorder this year during music curriculum time. The children have their own recorder and are learning to read music and listen to melodies and repeat them. We have also done some activities which encourage the children to move to music. All the children are really enjoying these lessons and are making good progress. It is not part of the program to bring the instruments home, but we hope to be able to share a tune with you at the junior sharing assembly. Well done children for working so hard!

African Drumming Workshop

Meanwhile, the infants and nursery pupils have enjoyed an African drumming lesson with Mr Richard Simpkins the Community Musician based at Woldgate College. The children really enjoyed playing some huge African Drums. Look out for some photographs of this on the website.

Bench ball for Year 3 and 4 Pupils

Some of the children are very keen to play in the bench ball tournament on Wednesday 21st February. Unfortunately we do not have enough volunteers to make a team yet. We need two more players please.

Change of Collection Arrangements

Please ensure that if you make an arrangement for your child to be collected at school by another parent that you inform the school and fill out a change of collection slip. We noticed this week that a child who normally travels home in a taxi went home with another family.

Responsibility for Pupils

A reminder that children are allowed to wait in the school playground from 8.50am and we are unable to take any responsibility for them before this time.

UNICEF Day for Change

A reminder that the children have the option of coming to school **tomorrow** in their own clothes. This is a chance to make a donation to the above charity. We are asking for a donation if they choose to do this. Many thanks for your support.

Yours sincerely

Mrs A Halley
