Newsletter No 14

Dear Parents,

Red Nose Day

Our recent calculations show that we have so far raised £160. More money is still due to arrive in school so the final total might yet reach £200. Thank you for your support. A great small school effort.

Art Club

A reminder that Mrs Clark **does not** run her after school Art Club during the Summer Term.

Sports Club

School Sport Support will continue to offer after school Sports Club. If children who have not attended for a while would like to rejoin please return the attached letter. The modules will be cricket and athletics. The club will begin on Tuesday 17th April (first day back after the Easter break).

Summer Term School Lunch Menu

Please find attached the Summer Term menus. This contains the weekly menus and the corresponding dates are above each weekly overview. Do not throw this booklet away because this is your reference point for what the children are eating each day.

School Gardens Project

A meeting was held at school today to discuss the possibility of setting up a school garden. If any parents are keen to offer help and support with this project, please let the school, Mrs Boyce or Mrs Throssel know.

East Riding Libraries

We had some information recently letting us know that children can be entered into a draw to win an ipod if they use their local library. It may be worth enquiring about this at Pocklington library. The junior children have also been given an extra piece of homework this holiday. We would like them to read a book and be familiar enough with it to write a book review when they return to school after Easter. We hope that their reviews will be displayed on the Espresso site.

Thank you for your support throughout this term. We return to school on Tuesday 17th April.
Have a lovely Holiday!

Yours sincerely

Mrs A Halley
