Dear Parents,

Headlice

We have had three reports of headlice in School this week. Please could **everyone** check their child's hair and treat if necessary.

Parking

A reminder that parking on pavements is illegal and that we request that our school pavement is kept clear of parked vehicles. There will be extra parked vehicles outside school throughout this week, so please allow time to walk from the village. Thank you. Please ensure the drive way to the garage near the blind corner is not blocked at any time.

Sports Club

Sports Club finishes at 4.30 pm. Please could parents ensure their child is collected on time?

Jump Rope For Heart

Please return any outstanding sponsor money to school as soon as possible. The event was very successful and both staff and children enjoyed participating. Well done everyone and thank you for all your support for the British Heart Foundation.

School Gardening Project

Joshua, Grace and Matthew did a great job with their boxes. All three chose plants and cared for them during the Summer. The Gardening Club will begin later in the term when the relevant paperwork has been completed.

Yours sincerely

Mrs A Halley
