Dear Parents and Carers,

Harvest Celebration

Thank you for the high level of attendance at our recent harvest celebration. I was sorry that I was unable to be there, but I hear that the children did well. We were able to raise in the region of £40.00 for 'Feed the Minds'. Thank you for your generosity. Well done to all the children.

Headlice

I am so sorry to tell you that still we are experiencing an ongoing problem with headlice among the children. Some children are being treated on a regular basis and are being re infested during their time at school. The only way to solve this ongoing problem is if **all** parents are equally vigilant and take the appropriate action. Please do take the necessary action and check everyday that your children remain clear. Sincere thanks to the very many parents who take this advice seriously and always act promptly. Please keep reporting cases to us so that we can monitor the situation.

Key Stage 1 parents' evening

Regrettably the infant class parents' evening had to be cancelled due to illness. We are unable to suggest a new date as Mrs Mackenzie is still poorly, but please rest assured that you will have an opportunity to talk to the teacher early next half term.

Sickness

A polite reminder that all pupils and staff should stay away from school for a clear 48 hour period after they have been sick or had a bout of diarrhoea. This is so that the 'bug' does not spread further. Thanks for your support with this. We have also been reminding the children to use soap and wash their hands properly after using the toilet.

School Travel Plan

Some time ago you participated in a school travel plan survey. I have recently received some feedback from this exercise and will soon be looking for volunteers – both parents and governors to form a working party to progress this further. If you are interested in this role please let me know.

School Dinners

Stamford Bridge School are unable to provide our school meals on Monday 29th October because they are closed. Also our dinner lady is unable to work for personal reasons on the Tuesday 30th October. Therefore for the first two days back after the half term all children will need to bring a packed lunch please. We are able to resume school meals from Wednesday October 31st if parents would like to book them for their children.

Reminders

We break up from school today - Thursday 18th October and return to school on Monday October 29th. Please remember that all children need a packed lunch for Monday 29th October and Tuesday 30th October.

Yours sincerely

Mrs A Halley
