Dear Parents

Welcome

Miss Kerry Mahoney began her teaching experience block at school last week in Mrs Mackenzie's class. We wish her all the best in her practice.

Governor Election

We had one parent express an interest in being a governor. Mr Richard Davy is duly elected parent governor. We look forward to working with him.

Sun Protection

Please would parents provide a sun hat for their children? Sun screen should also be applied before leaving for school if possible. Children may bring in a labelled bottle of sun cream to apply themselves while at school. For the youngest children the 'spray type' coloured lotions are the best to manage by themselves.

Whole School Trip

We hope to take the whole school to Flamingo Land on Monday 9 June. We will be studying the animals and visiting the African Plains as part of our Africa Studies. All children will need a packed lunch with two drinks, a small amount of spending money, sunscreen and a hat. Our sincere thanks to Battle Flatts Veterinary Clinic and our school PTA who are helping towards the cost of this trip. Further details will follow next week.

School Uniform Orders

Please look out for a letter about ordering school uniform for September. This will be sent out during next week.

Headteacher Appointment

The selection process will continue into next week. Candidates for the headship will be visiting the school on Monday. The governors will let you know the outcome in due course.

Feasibility Study

Plans have been passed to the East Riding of Yorkshire Council to further improve our accommodation in school. This will result in the creation of more space for the pupils, better toilet facilities for the youngest children, and a covered walk-way which will allow the 'school house' to become a more frequently used part of our total school accommodation. I am waiting for 'costings' to see if the school's devolved capital budget can afford the costs and whether the council will award us extra funds to see these plans to completion. We will keep you informed about the outcome. Proposed plans are available in the school office for parents to view.

Yours sincerely

Alison Halley
Headteacher
