School Gardens

There is a meeting on Friday at 10 am to discuss proposals for the school gardens. If you would like to know more or be involved then please come along.

Brid Spa Gala Concert, Tuesday 4 November

I would like to say how well the children performed at the Gala Concert earlier this week and how well behaved they all were. The feedback we have received following the concert has been very positive - it seems everyone enjoyed it. We are now looking forward to performing at the Royal Albert Hall next week!

Educational visits

The year 2 children and Mrs Mackenzie had a very enjoyable day in Pocklington on Wednesday. They joined with other year 2 children from our 'cluster' primary schools to take part in this year's ReAction2 Day.

"I liked most going to the drama because I was a star. I loved the dancing because I was a firework." Grace Atkinson

"Today my favourite was making friends." James Cardy

The Junior Class are looking forward to going to Eden Camp on Friday. Let's hope the weather changes and it is dry, however please ensure that your child has a suitable coat as they will be outside walking between the 'huts'.

Remembrance Day

Remembrance Poppies are in school. There is a collection tin which is being circulated around the classrooms.

Headlice

There is an incidence of headlice within our school community. Please check your child/rens hair. If your child has headlice then the policy is that they must stay off school until they have been treated. This is the only way in which we can attempt to eradicate these annoying pests.

Individual School Photographs

The photographer will be in school from 8.30 on Friday 14 November. If you would like sibling groups or pre-school children included in the photographs then please complete and return the slip at the bottom of the page.
