Dear Parents/Carers

**Newsletter 22**

Sorry (Again) and Thank You

Many apologies for any inconvenience caused by the disastrous end to Friday's trip to York Minster. A communication failure resulted in a number of pupils being stranded in York and it is with immense gratitude that I would like to thank all those parents who leapt to the rescue and delivered pupils either back to school, where staff took charge, or to their homes. Lessons have been learnt and I must stress that pupils were well supervised by two qualified teachers during this hiatus. It did spoil what was a wonderful day which I hope the pupils remember for the right reasons including a very informative guided tour of the Minster, a whispering session in the Chapter House, reflection time in the candlelit crypt and viewing the restoration of the Great East Window in Bedern Hall!

Foundation Unit outside play area

Plans are in place for the improvement of the grassed area outside the Foundation Unit. Work will begin on Monday 19 March on installing raised planters and seating in the area. The grass/mud will be replaced by artificial grass which will allow the children to play on it all year round. During this work the area will be cordoned off and your co-operation by closely supervising your children during the sessions before and after school would be greatly appreciated.

Active Mark

Schools and teachers are generally modest about their achievements but I thought parents and carers may be interested to note that we have been recognised by the DCSF for the quality and amount of physical education provided within School.

WWII Weekend

This weekend proved to be a resounding success with a much larger than expected turnout. Thanks must go to our parents who ensured their children were dressed very authentically in 1940's style clothing and to the children being so keen to participate.

## Burnby Hall Visit, Junior Class, Monday 23 March

A funded art based visit has been organised for the children in the Junior Class to Visit the Stewart Museum at Burnby Hall Gardens. A letter giving more details to parents of children in that class will follow shortly.

## World Book Day

For our World Book Day celebrations tomorrow (Friday 6) can I remind children to bring in their favourite book and photograph of themselves reading in an unusual place? Could I also remind the Infant and Foundation children to bring in an empty cereal box which will be used to build a house for their favourite character.

If you have any competition entries for the Simply Books competition if you return them to school by tomorrow (Friday) then we can arrange for them to be delivered to the book shop by the closing date which is Monday 9 March. Alternatively you may wish to take them yourselves and spend your £1 book token!
