Headlice

Headlice continue to be a problem within our school.

If you find lice, don't worry or be embarrassed. Head lice are a normal part of childhood – nearly 1 in 10 primary school children in the UK have head lice at any one time. This was taken from the Once a Week Take a Peek website (www.onceaweektakeapeek.com). The site is full of useful tips and information and is worth taking a look at. We do appreciate it can be a chore checking your children's hair but if we could get into the habit of 'Once a Week Take a Peek' then this will help to eradicate this problem. Thank you.

Red Nose Day

We raised a magnificent £76.57 for our efforts on Friday. A special thank you to our parents and pupils who baked cakes and buns for the cake stall. All the items were sold and were delicious!
